

Direct Supply

Milwaukee, Wisconsin

Direct Supply is an employee-owned company, and is the nation's leading provider of equipment, eCommerce and service solutions for senior living. The company exceeds all expectations in direct support of Guard and Reserve military obligations, regardless of type and duration, with policies like full pay for short periods of active duty and differential pay for periods of service exceeding 30 days. The company also supports Service members and families with home visits, recognition in company newsletters and special luncheons, and care packages for Guard and Reserve employees who are deployed. In 2018 it was a USO top 5 finalist for Veteran Friendly Workplace of the Year. From its Veterans Affinity Group to its Wall of Champions, Direct Supply recognizes and celebrates military service and sacrifice both internally and in the community with charitable giving.
